

Dance Kids of Monterey County

A Non Profit, Youth Performing Arts Organization

APPLICATION FOR STUDENT MEMBERSHIP TO THE DANCE KIDS OF MONTEREY COUNTY BOARD OF DIRECTORS

Purpose: The Dance Kids of Monterey County Board of Directors includes one student member.

The purpose is twofold:

- to create the next generation of nonprofit board leaders while providing a valuable service to the Board
- to help shape the future programs with valuable input from the students themselves.

The program was created in response to student interest in the Board. This interest underscores Dance Kids' growing need for student members to better understand outreach and the importance of fundraising, for the continuation of the programming.
